Saturday Matinee Performers:

After your child has completed their final routine for the dress rehearsal on Wednesday, you may then go to the designated picture area at the high school. It is extremely important that your child has completed their last routine in the show before you take them for pictures.

Sunday Matinee Performers:

Children attending the Sunday Matinee dress rehearsal @ 5:30 may come before rehearsal or after their last routine at dress rehearsal for pictures. If you come before rehearsal, please make sure to leave enough time for pictures so your child is ready and sitting in their seats to begin the dress rehearsal @ 5:30.

Evening Show Performers:

Students performing in the evening shows may come for pictures anytime during 12:30 – 7:00 pm.
