DAY!!!*

CLASS CANCELLATIONS

Winter is finally upon us and unfortunately the studio has closed due to bad weather. When road conditions are questionable, always call the studio at 569-1828 or check the website www.encedance.net.

We do not always follow school cancellations because conditions can change by the afternoon so always take a moment to double check.

All classes cancelled due to bad weather will have a scheduled make up day. It is very important that students attend these classes. Payment is due for cancelled classes even if you decide not to attend. If you have a scheduling conflict with the make -up date, you may make up the class during the week.

RECITAL 2009

We are so excited about the 2009 production “Dancing the Night Away” on June 19th, 20th & 21st! Posted in the lobby is an outline of what classes are performing in which show. Our matinee families were notified in December, but this is a wonderful reminder in case you misplace your papers.

All the costume orders have been placed and some costumes are beginning to arrive! The costume photo album is available in the lobby to check out the wonderful selections the teachers have chosen. They did an excellent job!

Please remember that there are no refunds on costumes and that all costume balances are due by March 7th. All candy fund raising money is due on March 7th.

Everyone should have received their costume breakdown sheet in January, please remember that tights are not included with your costume costs. Tights need to be ordered through Pas De Chat and the deadline is March 15th. Order forms are available at the front desk.

We are having a great time creating some wonderful choreography but always remember that it is important to attend classes on a regular basis!
